

THE PUT-TOGETHER GET-TOGETHER STARTER KIT

Before the Doorbell Edition

Put the shower on the list. You are part of the gathering, too.

Date: _____ Guests: _____ Meal / start time: _____

The day before: give tomorrow a head start

- ☐ Confirm the arrival time and who is coming.
- ☐ Choose a manageable menu; confirm guest contributions.
- ☐ Check supplies and shop for what you actually need.
- ☐ Pick your outfit and decide when you will stop to get ready.

Earlier that day: move the work forward

- ☐ Prep what you can and set out serving pieces.
- ☐ Set up drinks, glasses, napkins, and somewhere for coats.
- ☐ Check the guest bathroom and clear the entryway.
- ☐ Give a helper one specific job and a clear handoff time.

Protect the getting-yourself-ready part

- ☐ Set a personal alarm for your shower and getting dressed.
- ☐ Allow a buffer for the things that always take longer.
- ☐ Hand off active cooking safely before leaving the kitchen.
- ☐ Let one decorative detail go. Go get yourself ready.

If the doorbell beats you to it

- ☐ Ask a ready co-host or helper to welcome guests.
- ☐ Let guests know you will join them in a few minutes.
- ☐ Point them toward drinks and a comfortable place to sit.
- ☐ Finish getting ready. Your people came to see you.
